

2004 CONFERENCE UPDATE

EASTERN NURSING
RESEARCH SOCIETY

presents

16TH ANNUAL SCIENTIFIC SESSIONS

PARTNERSHIPS: Advancing the Research Agenda for Quality Care

APRIL 1-3, 2004

Boston Marriott Quincy • Quincy, MA

CONFERENCE OBJECTIVES:

- Identify partnership models that work to advance the nursing research agenda for quality care
- Describe the state of the science in developing hospital, community, and academic partnerships to advance nursing research for quality care.
- Provide opportunity for networking among nurse scientists, scholars and leaders, and disseminate results of research studies to a broad audience of leaders and scholars.

PLENARY SESSION TOPICS:

- Funding for Research Partnerships for Quality Care
- Research Partnerships to Promote 100% Access and 0% Disparity
- Measures for Evidence-Based Practice and Quality Outcomes
- Diversity Research through Partnerships across Hospital and Community-Based Systems
- Academic/Service Partnerships: Translating from Bench to Bedside
