The University of Melbourne

Translating Best Practice in Non-Drug Pain Management

Author: Marlene Dufault, PhD, RN
University of Rhode Island

Development of an Instrument to Measure Nurses’ Pain Assessment Strategies with Postoperative Clients

Author: Laurie M. Lauzon Clabo, PhD, RN
University of Rhode Island

Sessions A6: SYMPOSIUM - Promoting a Culture of Safety: Translational Research and Interdisciplinary Policy Development for Fall Prevention

Organizer: Wilhelmina Manzano, RN, MA, Senior Vice President and Chief Nursing Officer, New York-Presbyterian Hospital

The Use of Failure Mode Analysis Methodology in Fall and Injury Prevention

Author: Lourdes V. Mellino, MA, MEd, RN
New York-Presbyterian Hospital

Development and Refinement of a Fall-Injury Risk Assessment Instrument

Author: Gina Bufe, PhD, RN
New York-Presbyterian Hospital

Usability Testing for an Automated Fall-Injury Risk Assessment Instrument

Author: Leanne M. Currie, DNSc, RN
Columbia University School of Nursing

The Development and Implementation of an Interdisciplinary Fall and Injury Prevention and Management Policy

Author: Mary R. Cooper, MD, JD
New York-Presbyterian Hospital

Sessions A7: SYMPOSIUM - Moving a Theory-Based Program of Research from Description to Intervention

Illness Representations and Activity Self-Regulation of Elders with ESRD

Author: Charlotte Thomas-Hawkins, PhD, RN
Rutgers, The State University of New Jersey

Effects of Pelvic Floor Muscle Exercise Training on Urinary Symptoms and Quality of Life Post-Prostatectomy

Author: Joanne P. Robinson, PhD, RN
Rutgers, The State University of New Jersey

Creation of a Culturally Relevant Physical Activity Intervention for Hispanic Young Women

Author: Karen T. D'Alonzo, PhD, RN, APNC
Rutgers, The State University of New Jersey

Theory-Based Computer Mediated Intervention for HIV Risk Behavior Change

Author: Rachel Jones, PhD, RN, FNP
Rutgers, The State University of New Jersey

12:30 pm – 1:30 pm

General Poster Session II Begins

12:30 pm – 1:30 pm

Lunch – Supported by Massachusetts General Hospital
