

CELEBRATE YOUR MENTOR/MENTEE RELATIONSHIP & SUPPORT ENRS

Because of the critical role that mentors play in the growth and development of nurse scientists and improvements in health through research, ENRS is pleased to build on last year’s successful initiative to recognize research excellence of mentors for nurse scientists in all settings.

Mentors and their mentees or research teams will receive special recognition at the ENRS Scientific Sessions in March in two ways: (1) receipt of a mentor ribbon for their conference badge and (2) prominent recognition at several points during the conference. Individuals eligible for this recognition may be nurses or non-nurses who have served as mentors for nurse scientists at all levels. Those honoring the mentor may include individuals or groups of mentees or colleagues of the mentor who are members of ENRS.

To recognize your mentor or mentors, please do the following:

- 1) Email digital photographs of the mentor and mentee or research team to Jennifer Miller at jmiller@fernley.com
- 2) Complete the following information using the form below:
 - Mentor’s name, credentials, academic title and institution
 - Mentee(s)/Research team Names (can be more than one name here)
 - In a sentence or two describe the impact the mentor has had in supporting, advancing, and impacting your own or others’ development as nurse scientists

Your tax deductible donation of \$50 to ENRS per mentor or group of mentees will be used to establish a fund to support a new ENRS/ANF Award.

Mentor Name/Credentials: _____

Academic Title/School: _____

Mentee(s)/Research team Colleague(s) Name(s): _____

Brief Statement: _____
