

23rd Annual Scientific Sessions
March 23 - 25, 2011 • Philadelphia, PA

CALL FOR ABSTRACT REVIEWERS

Abstract Review Start: Monday, September 27, 2010

Abstract Review End: Thursday, October 7, 2010

Thank you for your interest in reviewing abstracts for the 23rd Annual Scientific Sessions. Please let us know if you are available to review abstracts within the time period stated above.

If you are interested, please complete the Reviewer Information Form and **return it to Meg Taft, at the ENRS Main Office, by Monday, August 16, 2010** via email mtaft@fernley.com or fax 215-564-2175.

Please be sure to select the keywords/categories that address topics that match your expertise. We will try to match you up with abstracts pertaining to this subject matter. The selection of keywords can be found on the attached Reviewer Information Form.

All abstract submissions are due by September 20, 2010 and the review period will begin on **Monday, September 27, 2010**. All abstract reviews must be completed by **Thursday, October 7, 2010**. This timeframe will allow the office to send out acceptance notifications in a timely manner. **Please do not volunteer to review if you cannot meet these deadlines.**

Thanks again for your contribution to making the 23rd Annual ENRS Scientific Sessions a success.

2011 ENRS Reviewer Information Form

CRITERIA FOR REVIEWERS

- Current membership in ENRS
- Completed research-focused doctorate in nursing or related field
- Evidence of research expertise
